TESTIMONIALS

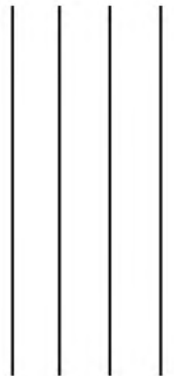

"When another manufacturer's product failed on a large city park project, I received no warranty help. I called K-Rain and they saved the job. We get more jobs with K-Rain's 5-Year Warranty, and we keep more customers thanks to K-Rain's exceptional reliability and service."
-Kenny Hunt, Allstar Irrigation, Jacksonville

"We made a major decision to switch to K-Rain, because we heard the reliability of the product and the warranty service was second to none. It is—in fact, the very few times we've had a problem, they immediately replaced product 2-for-1! No quibbling. That is how good they are!"
-Bill and Rob Wilson, R&S Soft Water Service, Palm Bay

"K-Rain helps us differentiate ourselves from our competition so we can compete on professionalism and reliability--not price. K-Rain's 5-Year Warranty gets us more projects and better projects. The custom rotor program helps build our brand so we get more repeat business and more referrals. When I have a question or need service, I know I can call the people at the top, and get satisfaction right away."
